FOR IMMEDIATE RELEASE

**Chocolatt**...from Belgium. The idea has been with me for such a long time. A dream from my youth. It was just finding that right moment in my life, the perfect place...Los Angeles. *Enfin*, destiny had arrived.

I love chocolate...it's that simple. Originally from Belgium, I lived in a lot of other countries. But each city I called home, I was always on the lookout for the chocolate of my childhood. Rich, pure, with the aromas only chocolate lovers worldwide can appreciate. When I realized: what better motive to start my own business than out of winsome, passionate love!

My research began by traveling back to Belgium to locate "first-class chocolates". I set up three tester teams to rate thirty manufacturers. From there we narrowed it to ten and finally to the exclusive few we all agreed I would be proud to sell. People often ask me how I stay thin eating chocolate. The trick is: eat only the best and you won't need to eat as much. Do I eat chocolate? Of course, mine every day. I love them!!

The store, actual and on-line, has a fine selection of chocolates. Our premium brand is called ANOUC, with 75 flavors to tantalize the most sophisticated of palates. GALLER, the only Royal Warrant Holder in Belgium, is also part of the **Chocolatt** experience. GALLER had been looking for a good home in Los Angeles and I was delighted that they chose to be part of our venture. We carry GALLER chocolate bars, cocoa, etc. For individuals looking for sugar-free treats, we have the tastiest sugar-free chocolates money can buy, made with *maltitol*, approved by the FDA and EU.

Whether you're shopping for *orangettes*, seasonal gifts like Easter eggs with chocolates inside, chocolate paste for your bread, or that dark chocolate in an Earl Grey tea blend, (coffee drinkers beware!), we hope you will come and visit us in person or on-line. For a very reasonable price, we also carry Belgina, *the* Belgian classic, the very best in pre-boxed chocolates.

For those of you who can resist eating the chocolate long enough to make a gift of it, **Chocolatt** is the ideal choice for all your gift shopping needs. Our packaging is stylish yet simple, to compliment any occasion. And remember, you buy only the quantity you want: we sell by weight.

So please place **Chocolatt** on your must-see list. We look forward to your visit. Do not hesitate to contact us with any questions you may have. We welcome your ideas as we continue to grow with the community.
